MATAWHAANUI

Trust

Iti te Kupu, nui te aroha,

What a whirlwind of activity it has been over the last 2 months of November and December. At the completion of last months E-paanui, I thought surely things couldn't get any busier. A lot can happen in Raahui Pookeka in a short space of time. So here we are smack bang in holiday and festive season. Ahakoa he wā o te kirihimete, he wā kē ki te whakakotahi ai te whānau, whakatā, hararei, me aha ra, me aha ra.

As this paanui will highlight all sorts of activities throughout Nov- Dec. it gives testament to the vision we uphold at Matawhaanui to live our Motuhake and reclaim Raahui Pookeka through our voice and our community.

Mere- Kirihimete Raahui Pookeka.

Raahui Pookeka in Action

Many hands make light work as the Raahui Pookeka activation team kicked into gear during the Hiiroi. A show of solidarity across all marae and Matawhaanui trust meant that the mana of our tupuna shone through with our values of manaaki ki nga manuwhiri. Whanau from up Taniwharau street and nga marae did us proud as we opened our arms towards this important historical moment . While some of us got to join the kaupapa such as our Te Puna Ora lead Cuprice Turner along with Myrtle Randall lending their talents of mirimiri, The Hau Kaing held space and activated their our local Tuu with opportunity to enrol on the Māori roll. Ka mau te wehi.

Rangiriri Ahurei

Te Puna Ora - Rongoa

Merry Christmas to all from our Pou Tupu kaimahi. As you can see, the team were all over the rohe supporting hāpori at various kaupapa.

Along with Te Puna ora, The taniwha cart was visible too providing refreshments at Te Ahurei a Rangiriri. Ka mau te wehi team

Hapori connection is key to showing support to various kaupapa within our golden triangle. What is evident is the amount of leadership built on legacy within our golden triangle..

These pics really represent the past present and future of us, including the scientists who through our own Dr Jonni Koia bought into our Maara to explore where science and matauranga Māori meet.

Coming Soon – “Hauora Hub”

Progression is ongoing to realise the dream of establishing our own Hauora hub. Matawhaanui Trust have always believed that when and where able, our own local workforce should be given opportunity to be a part of our vision and mission. Enter our Tarawhiti whanau from Te Kauri recently relocating from Wellington with the skill and qualifications to be apart of the dream. Well versed in the Building industry, Hokio Tarawhaiti along with his whanau are applying their time and talents and taking apprentices along for the journey. Ka Rawe!

New Whare for Tuuhono Hauora

Our Architect Rueben Ihimarea (Ngaati Whawhaakia, Kaitumutumu marae) is one force of talent helping us repurpose our latest purchase of the Harris Street Building. Plans are underway to overhaul this whare and key location in Huntly West making it a central place for Tuuhono Hauora to operational and expand their community outreach. Watch this space.
